

MUTHAYAMMAL COLLEGE OF ARTS & SCIENCE

Rasipuram - 637 408, Namakkal Dt, Tamil Nadu, India.

ABOUT THE COLLEGE

Muthayammal College of Arts & Science was founded in the year 1994, and continues to serve the cause of rural students. Being one of the first institution to offer courses in multi disciplines, our college has come a long way and is recognized for its unique teaching methodology and holistic approach towards education. It is a self-financing, co-educational college affiliated to Periyar University, Salem, Tamil Nadu.

The college offers 16 Undergraduate Programs, 15 Postgraduate Programs, 5 M.Phil Programs and 3 Ph.D., Programs, which cater to the changing needs of the rapidly growing industrial sector. The learning environment in our college is one that brings together the best of infrastructure and human resource, enriching the learning experience of the students.

Apart from a well designed curriculum for each subject, the college also places equal importance on all-round development of the students. Knowledge assimilation is seen as an opportunity to encourage creative and innovative thinking in mastering the subject.

VISION

To redefine the scope of higher education by infusing into each of our pursuits, initiatives that will encourage intellectual, emotional, social and spiritual growth, thereby nurturing a generation of committed, knowledgeable and socially responsible citizens.

MISSION

- Ensure State of the world learning experience
- Espouse value based Education
- Empower rural education
- Instill the spirit of entrepreneurship and enterprise
- Create a resource pool of socially responsible world citizens

Inter Collegiate Meet

Wranglers' III

Date-28-9-2011

Organized by

ACADEMY OF COMPUTER SCIENCE

ABOUT THE DEPARTMENT

The Academy of Computer Science has 7 Degree courses viz B.Sc., Computer Science, M.Sc., Computer Science, B.C.A., M.C.A., M.Sc., Software Science, B.Sc., Electronics & Communication & M.Sc., Electronics & Communication. The number of students pursuing these courses is around 1500. Taking into account the large number of students and with a view to provide quality education, the management has taken utmost care in setting up eight state-of-the-art computer laboratories housing about 500 systems with new configuration. 24 hour internet connectivity has been made available to all the student throughout the year. It is matter of pride that many of these students have been selected either during on campus or off-campus interviews. There is an exclusive library for Computer Science students. It subscribes to 30 journals including 15 foreign journals.
